LEES ALVAST EEN VOORSMAAKJE!

- BELON - STRAENT-A -

Wie zegt er dat leraars niet hip kunnen zijn? Om de aandacht van de leerlingen te trekken, dompelen ze zich onder in alle mogelijke hypes en trends. Vette beats ÉN vette stress, want het moet allemaal 100% pedagogisch verantwoord zijn, natuurlijk. Elke dag wordt er strijd geleverd tegen luiheid en domheid, met alle mogelijke wapens, want de toekomst is aan de jeugd!

Een leraar heeft één troost: is de zenuwinkzinking nabij,
dan is de zomer dat ook!
